I LOVE SUNDAYS ! BY JACK SIMMONS

Sunday is my favourite day. I usually get up late and have breakfast. Then I do my homework for school. I also help mum cook lunch. In the afternoon, I usually meet my friends, and we love going to concerts. We seldom go to the theatre. We sometimes hang out at the mall if the weather is bad. I like trying on trendy clothes. I never go out on Sunday evenings. I usually stay in my room because I like being alone. My friend, Nolan, rarely comes round, and we play computer games or we watch a DVD. Then I surf the Net and chat with my friends online before I go to bed at 10 o'clock. Sundays are fun.

 B) He does his homework.
 C) He surfs the Net and chats with his friends.
 D) He goes to bed.
