Answer the questions 9 and 10 according to the given text below.

Caving , sky diving , rock climbing and bungee-jumping are the examples of extreme sports. One of the most popular extreme sports is white-water rafting in Turkey. It is heart-stopping but that's why rafters love it. Many people are interested in white-water rafting. It started 20 years ago in Köprülü Canyon in Antalya and nearly 13 million tourists did rafting in this place. You can raft in Antalya or in Artvin (Çoruh River). What attracts people to do rafting is adventure. They love the freedom of being on the water. They like the challenge and they really want to test themselves against water and air. There are also some rules while doing rafting. All rafters should take some safety items like ;

\*Helmet : It makes the difference between life and death. It is very important.

\*Life jacket : It keeps you safe in water.
